Regular account terms apply to non-promotional purchases.

***ESTIMATED PAYMENT INFORMATION FOR THE FIXED PAYMENT OFFER:** The estimated fixed monthly payment shown has been rounded up to the next whole dollar and should allow you to pay the total promotional purchase amount shown in full within 84 months assuming: (A) This amount is and will be the only balance on your account during the promotional period, AND (B) You make your monthly payment by the due date each month. If you have any additional balances on your account, the monthly payments applicable to those balances will be added to this payment and may impact how payments are applied to this promotional purchase. Only 1 credit related promotional offer can be applied to any one item on a sales receipt. The "purchase date" for an item is the date it is charged to your account.
